

Johnmarshall Reeve

August 2011

VITA

633 Uncho-Useon Building
Department of Education
Anam-Dong, Seongbuk-Gu
Korea University
Seoul 136-701, Korea

Office telephone: +82-2-3290-2295
e-mail: reeve@korea.ac.kr

Current Position: Professor

EDUCATION

1992, Postdoctoral Research, University of Rochester, Department of Psychology
Research program with Edward Deci and Richard Ryan's human motivation group.

1986, Ph.D., Texas Christian University (MA in 1985), Department of Psychology
Dissertation: "The role of cooperative cues in increasing the probability of cooperation in eight situations: A test of the synergy hypothesis"; Advisor: Steven G. Cole.

1982, B.A., Tennessee Technological University, Department of Psychology
Senior Thesis: "Initiation and regulation of persistence behavior"

PUBLICATIONS

Books

O'Donnell, A., Reeve, J., & Smith, J. (2012). *Educational psychology: Reflection for action* (3rd ed.). Hoboken, NJ: Wiley.

Reeve, J. (2009). *Understanding motivation and emotion* (5th ed.) Hoboken, NJ: Wiley.

Reeve, J. (1996). *Motivating others: Nurturing inner motivational resources*.
Needham Heights, MA: Allyn & Bacon.

Book Chapters

Reeve, J. (2011). Teaching in ways that support students' autonomy. In D. Mashek & E. Hammer (Eds.), *Enhancing teaching and learning* (Chpt. 5, pp. 90-103).
Hoboken, NJ: Wiley-Blackwell.

Reeve, J., & Assor, A. (2011). Do social institutions necessarily suppress personal autonomy? The possibility of schools as autonomy promoting contexts across the world. In V. Chirkov, R. M. Ryan, & K. Sheldon (Eds.), *Personal autonomy in cultural contexts: Global perspectives on the psychology of agency, freedom, and people's well-being* (Chpt. 6, pp. 111-132). New York: Springer.

- Reeve, J. (2011). Blending motivation, emotion, affect, and cognition. In S. Masmoudi & A. Naceur (Eds.), *Cognition, emotion, and motivation*. (pp. 361-362). Brussels, Belgium: De Boeck.
- Reeve, J. (2010). How do I motivate others? The concept of motivating style. In J. M. D. Gomez & E. G. Armas (Ed.), *Motivacion y emocion: Investigaciones actuales* (pp. 15-28). Universidad de la Laguna: Servicio de Publicaciones.
- Reeve, J., Ryan, R. M., Deci, E. L., & Jang, H. (2007). Understanding and promoting autonomous self-regulation: A self-determination theory perspective. In D. Schunk & B. Zimmerman (Eds.), *Motivation and self-regulated learning: Theory, research, and application*. (Chpt. 9, pp. 223-244). Mahwah, NJ: Lawrence Erlbaum.
- Reeve, J. (2006). Extrinsic rewards and inner motivations. In C. Weinstein & T. L. Good (Eds.), *Handbook of classroom management: Research, practice, and contemporary issues* (Chpt. 24, pp. 645-664). Hillsdale, NJ: Lawrence Erlbaum.
- Reeve, J., Deci, E. L., & Ryan, R. M. (2004). Self-determination theory: A dialectical framework for understanding the socio-cultural influences on student motivation. In D. McInerney & S. Van Etten (Eds.), *Research on sociocultural influences on motivation and learning: Big theories revisited* (Vol. 4, pp. 31-59). Greenwich, CT: Information Age Press.
- Reeve, J. (2002). Self-determination theory applied to educational settings. In E. L. Deci & R. M. Ryan's (Eds.), *Handbook of self-determination research* (pp. 183-202). Rochester, NY: Rochester University Press.
- Book Chapters (Forthcoming)**
- Reeve, J. (2011, forthcoming). A self-determination theory perspective on student engagement. In S. L. Christenson, A. Reschly, & C. Wylie (Eds.), *Handbook of research on Student engagement*. New York: Springer.
- Reeve, J., & Lee, W. (2011, forthcoming). The motivated brain. In R. M. Ryan (Ed.), *The Oxford handbook of motivation*. New York: Oxford University Press.

PRESENTATIONS

Invited Talks

- Reeve, J. (2010, November). How neuroscience might help teachers. Invited talk given at The annual meeting of the Korean Educational Psychology Association, Seoul, South Korea.
- Reeve, J. (2010, September). Learning how to support autonomy in others: Good, better, best—novice, intermediate, advanced. Invited talk given at the University of Leuven, Leuven, Belgium.

- Reeve, J. (2010, September). Why the instructional effort to enhance student engagement is even more important than you already think it is. Invited talk given at the University of Gent, Gent, Belgium.
- Reeve, J. (2010, September). Strengthening the link between a teacher's motivating style and Students' learning and achievement. Invited talk given at "An International Conference On Teaching and Learning: Exploring New Perspectives on Teaching and Learning." Yonsei University, Seoul, Korea.
- Reeve, J. (2010, May). From theory to practice: SDT interventions in education. Invited teaching workshop given at the fourth International Conference on Self-Determination Theory. Ghent, Belgium.
- Reeve, J. (2010, January). Three things will last forever—instruction, motivation, and Achievement—and the greatest of these is engagement. Invited talk given at the PIRT Conference on students' academic motivation sponsored by the Florida Center for Reading Research, Tallahassee, FL.
- Reeve, J. (2009, November). Teachers' motivating styles and students' motivation, engagement, and learning. Invited keynote address given at the International Congress on Cognition, Emotion, and Motivation, "Percept-Concept-Decision: Application to learning activities." Medina Yasmine Hammamet, Tunisia.
- Reeve, J. (2009, November). How to support autonomy in others. Invited keynote address given at the International Congress on Cognition, Emotion, and Motivation, "Percept-Concept-Decision: Application to learning activities." Medina Yasmine Hammamet, Tunisia.
- Reeve, J. (2009, October). Tracking biological upset (cortisol) in students exposed to controlling Teachers: Why it matters so much. Invited keynote address given at the bMRI Symposium on Motivation, "Motivation and education: Past, present, and future." Seoul, South Korea.
- Reeve, J., (2009, April). Relationships that support others' autonomy and engagement. Invited keynote address given at the Claremont Symposium on Applied Social Psychology, "Applications of social psychology to teaching and learning." Claremont, CA.
- Reeve, J. (2009, March). Finding our way and defining our field—What matters most in the contemporary study of human motivation. Invited keynote address given at the IV Conference of the Spanish Society on Motivation and Emotion, Tenerife Canary Island, Spain.
- Reeve, J. (2008, May). Do you trust your own motivation? Invited talk given at Korea University, Seoul, South Korea.
- Reeve, J. (2008, May). Theories of human motivation for the workplace and for the classroom. Invited talk given jointly at Ehwa University and Sungkyunkwan University, Seoul,

South Korea.

- Reeve, J. (2007, July). Future directions of contemporary motivation study in education. Invited talk given at Ehwa University, Seoul, South Korea.
- Reeve, J. (2006, May). How do American teachers support students' autonomy during instruction? Paper presented at the International Research Workshop of the Israel Science Foundation: Autonomy Support and suppression in parenting and education: Cross cultural perspectives. Mitzpe Ramon, Israel.
- Reeve, J. (2005, December). How teachers can promote students' autonomy during instruction: Lessons from a decade of research. Invited talk (Keynote speaker) given at the 2005 Annual Conference of the Iowa Educational Research and Evaluation Association, Cedar Falls, IA.
- Reeve, J. (2005, October). Enhancing high school students' engagement by increasing their teachers' autonomy support. Invited talk (Award recipient) given at the 2005 Thomas N. Urban Research Award presented by the Iowa FINE Foundation, Des Moines, IA.
- Reeve, J. (2004, October). Motivation theories to help teachers engage students in learning activities. Invited talk given to the College of Education at Rutgers University, New Brunswick, NJ.
- Reeve, J. (1998, October). Motivating others. Presentation given at the 9th annual FINE Day Conference, "Programs that motivate: Helping students succeed" sponsored by FINE (First In the Nation in Education) Educational Research Foundation, Des Moines, IA.
- Reeve, J. (1998, March). Making sense of conflicting advice on how to motivate students: Practitioners say toe-may-toes, researchers say ta-mott-ohs. Presentation given at the UWM Breakfast Forum Series for school administrators.
- Reeve, J. (1998, February). Motivating others. Workshop given to the state conference of the Wisconsin Jaycees, Lake Geneva, WI.
- Reeve, J. (1997, February). Promoting student engagement in the classroom. In-service teacher training conducted at the Atwater Elementary School. Shorewood School District, Shorewood, WI.
- Reeve, J. (1997, February). Teachers concerns about and solutions for student motivation and discipline. In-service teacher training conducted at Kiel High School. Kiel, WI.
- Reeve, J. (1997, January). Motivation is a prerequisite for learning. Presentation given for the Lakeshore school administrators and supervisors. Milwaukee, WI.
- Reeve, J. (1995, June). Motivating students. In-service teacher training conducted at the Northern Ozaukee Elementary and Middle Schools. Northern Ozaukee School District, Fredonia, WI.

Reeve, J. (1995, April). Training teachers to motivate students. Presentation given to the Office of Educational Research's Forum on Education. University of Wisconsin-Milwaukee, Milwaukee, WI.

Reeve, J. (1993, February). Origins of interest. Presentation given to the Psychology Department during the Social Psychology Brown Bag Series. University of Wisconsin, Madison, WI.

Reeve, J. (1990, March). Interest and exploration. Presentation given to the Human Motivation Group, Psychology Department, University of Rochester, Rochester, NY.

Reeve, J. (1986, November). Favorable and unfavorable consequences of the competitive experience. Presentation given during the National Sports Symposium. Trinity University, San Antonio, TX.

TEACHING EXPERIENCE

- 2009-present at Korea University
Undergraduate courses: Human Development and Learning;
Personality, Motivation, and Emotion.

Graduate courses: Learning and Motivation Science; Personality and Individual Differences; Seminar in Educational Psychology: Relationships; Research in Developmental Psychology; Motivational and Emotional Development.

2008-2009 at *University of Wisconsin, Milwaukee*

Undergraduate course: Introduction to Learning & Development.

1998-2008 at *University of Iowa*

Undergraduate courses: Introduction to Educational Psychology and Measurement; Motivation.

Graduate courses: Advanced Personality, Advanced Motivation, Advanced Life-Span Development, Educational Psychology for Effective Teaching.

1992-1998 at *University of Wisconsin, Milwaukee*

Undergraduate course: Introduction to Learning & Development.

Graduate courses: Contextual Determinants of Motivation; Advanced Motivation Study; Personality Theories and the Educational Process; Human Development—Theory and Practice.

1990-1992 at *University of Rochester*.

Undergraduate Courses: Social Psychology; Human Motivation & Emotion; Research in Motivation (supervised an undergraduate research team).

1989-1991 at *Cornell University*.

Undergraduate Course: Personality and Social Behavior.

1987-1990 at *Ithaca College*.

Undergraduate Courses: General Psychology, Proseminar: Motivation; Statistics; Computer Applications of Statistics; Independent Research Team on Human Motivation; Methods: Design; Senior Seminar on Emotion.

1986-1987 at *Trinity University*.

Undergraduate Courses: General Psychology; Personality Theories; History of Psychology; Statistics and Methods: 1; Statistics and Methods: 2.

Breadth of Teaching Experience

I have taught undergraduates in psychology and undergraduates in education, and I have taught MA and PhD graduate courses in the following areas: Introduction to Educational Psychology, Introduction to Psychology, Motivation, Emotion, Personality, Social Psychology, Lifespan Development, Statistics, Research Methods, and History of Psychology. I have conducted dozens of independent studies and supervised Master's theses and Ph.D. dissertations.

Master's Completed

- Leah Arndt (1995). Thesis: Identifying the in-performance interest of another person.
- Dan Carrell (2003). Thesis: What's good for the gander?: Training high school teachers to use autonomy-supportive strategies to increase student engagement and to decrease professional burn-out.
- Ching-Mei Tseng (2009). Thesis: Academic engagement in high school students: links to secure attachment beyond concurrent perceived autonomy support and psychological need satisfaction.
- Marc Halusic (2009). Thesis: Psychophysiological markers of autonomy frustration.
- Yulan Su (2009). Thesis: A meta-analysis of training intervention programs for teachers on how to support students' autonomy in the classroom.

Ph.D.s Completed

- Lois Seefeldt (1997). Dissertation: Models of Parenting in maltreating and non-maltreating parents.
- Jim Bohn (2002). Dissertation: The design and validation of an instrument to assess organizational efficacy.
- Pat Hardre (2002). Dissertation: The effects of instructional design professional development on teaching performance, perceived competence, self-efficacy, and effectiveness.
- Leslie Forstadt (2006). Dissertation: Swimming above water: The relationship between psychological need satisfaction and job satisfaction for alternative educators.
- Kristen Rizzo (2006). Dissertation: Motivational predictors of continuing motivation and achievement for early adolescent instrumental music students.
- Soohyun Jeon (2007). Dissertation: The effects of parents' and teachers' motivating styles on adolescents' school outcomes and psychological well-being: A test of self-determination theory in a Korean context.
- Chin-Fang Huang (2010). Dissertation: An examination of relations among Taiwanese elementary-aged children's effortful control, social relationships, and adjustment at school.

AWARDS, EDITORSHIPS, and REVIEWING

Awards
